

Religions of America: Ferment and Faith in an Age of Crisis: A New Guide and Alm

By Rosten, Leo, Editor.

Simon & Schuster. 1 Paperback(s), 2005. soft. Book Condition: New. This book reflects the results of the turmoil and change in the religions of America since Leo Rosten first wrote about them in the 1950s and 60s. The first section consists of 19 articles by distinguished authorities on the creeds for which each one speaks, from the major established groups to the "charismatic" cults, setting forth clear and candid stories of our own faiths and those of our neighbors. Part Two is the Almanac, a massive compendium containing statistics, public opinion polls, basic documents, sociological résumés and psychological analyses of the roles, conflicts, influences, and trends that characterize religion in the United States. 672.

Reviews

Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

-- Doris Beier

Completely essential go through book. I actually have go through and i am sure that i am going to going to read yet again yet again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
